INTER-OFFICE

TO: Regional Directors
Directors, Local Health Departments
Directors, Independent WIC Local Health Agencies
Director, Office of Public Health Practice

FROM: Barbara Keir, Director {Original Signed}
Division of Public Health Nutrition and Education
Bureau of Nutrition Services

DATE: February 5, 2003

SUBJECT: Formula – LactoFree LIPIL, ProSobee, & ProSobee LIPIL

The food instrument for ProSobee/ProSobee LIPIL has been separated. ProSobee has been reactivated in the WIN system and should be issued unless ProSobee LIPIL is requested by the participant.

Mead Johnson no longer manufactures ProSobee RTU. Participants requiring a ready-to-use soy formula should be issued ProSobee LIPIL.

Texas WIC is requesting that ProSobee LIPIL and Lactofree LIPIL samples be made available to the WIC clinics with your next order. ProSobee LIPIL will be provided as follows: 25% of the ProSobee order will be substituted with ProSobee LIPIL until April. Beginning in April 2003, 50% of the ProSobee order will be substituted with ProSobee LIPIL. LactoFree was discontinued in December 2002, therefore clinics will only be shipped LactoFree LIPIL.
